Hi! I'm new here! My name is Sarah, I'm from Kitchener, Ontario (Canada). I just joined this week, and I'm kind of glad i found this website! I'm 21 years old, outgoing, cheerful, and on the path to completely making over my lifestyle! I'm looking to meet new people and hoping to learn lots from everyone and this website! If you want to chat or whatever, just msg me! ;)
