
Hey What's Up!

Posted by shinningstar - 2007/07/19 23:59

Hello Everyone!

I drop by here just to say hello. I'm a little curious to know what's in here. Hope to have great time chatting with you guys and to learn interesting topics in this site.

Hey

Welcome to the forum, as you can see the main theme of this site is environmental, green and holistic topics. Like global warming, biodiesel on the green side, and massage, reiki, yoga on the holistic side

Hope you enjoy our company :silly:
