---

Is there any other reiki music out there besides "Floating" ? This one has a sound imbedded in the music to alert you to move on to the next position. I am sure you guys have some good music. Please guide me to get some good music.

Hi

I like to play "Dolphine Love" when doing healing...

I also use "One Voice by Standing Deer" who is a Tiwa medicine carrier from New Mexico... there is a clip at this link ... [http://reikiuk.net/product\\_info.php?cPath=151\\_152&products\\_id=63](http://reikiuk.net/product_info.php?cPath=151_152&products_id=63)

Hi

I am finding that more and more music shops are selling reiki cd's and music for healing. Also search online would also work

So Reiki healing generally goes along with nice peaceful floating music right? I can see such serene music working well with relaxation techniques and massage.
