## My thought of the day

There is a Lostprohets song with a line that goes "but there's still tomorrow forget the sorrow"

So that is my thought of the day because I can connect to it. No matter how hard of a day you have had there is still the next day to look forward to and things will get better for you.

wow!nice thought,there's a song i know,that is "If tomorrows never comes".Which means for me the things that you've never say to your love ones,you should tell him or her as soon as possible,because we do not know if tomorrow will never come.
